

Make Your Mark on a City Park: Sponsor a Bench!

SPONSORING A BENCH is a great way to remember a loved one, or show that your business or organization supports green space and quality of life in Beaumont. Your tax-deductible donation of \$1,200 covers the cost of one high-quality metal bench, shipping, and an engraved plaque.

SPONSORSHIP INFORMATION

All sponsorship information will be contained on a plaque affixed to the bench. The City of Beaumont reserves the right to approve the text on the plaque.

SPONSORSHIP LOCATIONS

The city determines location of all benches. The city may change the location of a bench.

SPONSORSHIP DURATION

Benches and plaques are intended to be durable and long-lasting; however, the city cannot guarantee the lifespan of any bench or plaque. The sponsor recognizes that installation, location, placement, upkeep and maintenance of the benches are subject to funds provided through the annual budget.

SPONSORSHIP GUIDELINES

Individuals and organizations may sponsor a bench subject to certain discretionary conditions, including but not limited to: location; sponsorship information; and removal and relocation. Benches sponsored under this program are city property and are intended to be installed for public use as part of city real property, including but not limited to parks, rights of way, utility or other easements or other city property. By adopting this program, the city is not creating any forum for expression. The city reserves the right to reject any sponsor.
